BUFFALO AND CHICAGO LINE OF STEAMBOATS.

Lady Elgin, Hendrick Hudson, Sultana,
Louisiana, Globe, Wisconsin.

The proprietors of the Eckford Line would particularly call the attention of the Merchants of Wisconsin, Illinois and other Western and Southwestern States to the superior facilities of their line for transportation to, and from, the ports on the Upper Lakes. The above line of Steamboats runs direct to our Docks at Buffalo and all goods contracted by tracing for the Upper Lakes will be shipped (unless otherwise ordered or contracted,) by Steamboats, (not propellers) with but one, or possibly two exceptions. The Eckford is the only line not interested in, or committed to, a Propeller Upper Lake Line; and in endeavoring to sustain a line of Steamboats on that route, the Proprietors hope to receive the support and patronage of the Merchants of the Western States, when interest demands the continuance of a line of such a class of Boats. Boats leave New York and Buffalo daily.

Refer to L. J. Higby, Thomas P. Williams, and Kellogg, Strong & Co., Milwaukee.

THE undersigned would respectfully solicit the attention of dealers in and consumers of Coal in Milwaukee to our Card, as above. The Bolivar Coal is unquestionably superior to any other mined in Ohio, for Grate, Blacksmithing, Machinery, or Domestic purposes; and for Steam purposes, is superior to any except Briar Hill. It is peculiarly well adapted to Shipping, as its extreme hardness renders it capable of bearing any amount of handling, without waste. It can be afforded considerably cheaper than Brier Hill, and for most purposes, is better.

It is our wish to introduce the article, and we respectfully solicit orders, confident that a trial is only necessary to convince any of the truth of the above assertion.

CHILSON'S PATENT
World's Fair Prize Medal

FURNACE!

WE ARE HAPPY TO ANNOUNCE THAT CHILSON'S PATENT AIR WARMING AND VENTILATING FURNACE, as recently improved and patented is declared by high and reliable authority, to be the

BEST FURNACE IN THE WORLD.

Not only is this Furnace, and our system of ventilation, proved and declared to be the best mode of Warming and Ventilating DWELLING, CHURCHES, ACADEMIES, SCHOOL HOUSES, COURT and STATE HOUSES, HOSPITALS, STORES, &c., in nearly all the cities and towns in the United States, but is meeting with equal favor in the CANADAS, ENGLAND, RUSSIA, and other Foreign Countries. It has been awarded at the recent Fairs in this country, gold and silver medals, first premiums, and lastly the Great Prize Medal at the World's Fair, London. It has been subjected to the most rigid investigation and severe practical tests, and unanimously declared the best.—(See the printed reports of the Fairs, also city and state public committees on public buildings.) We have more than twenty-five hundred references, many of whom are professional gentlemen, whose scientific attainments in such matters are well known. To attain this desirable object, the inventor of this Furnace first abandoned the manufacture of the common [illegible] hot air furnaces seven years since, under the settled conviction, that red hot iron furnaces burn the oxygen out of the air, producing an unhealthy, scorching, disagreeable odor, unfit to be inhaled by human beings; besides the constant cracking and burning out of the pots, which permits the poisonous gases to escape and mingle with the air, and the annoyance and expense of repairs, new pots, &c. He now has the satisfaction of knowing that his efforts to secure a *healthful, economical* and *durable* apparatus, for thoroughly warming and ventilating buildings, has been entirely successful.—They possess the following advantages: purity of air, powerful heaters, economical plan for burning anthracite, bituminous coals or wood, all equally well—thus easily cleaned out—great durability of furnace, not liable to repairs for a life time; perfect safety against setting buildings on fire in which they are located; may be set in low cellars.—Sizes for all classes of buildings. Also, 4 sizes of new and superior PORTABLE FURNACES.—Dr. Clark's Improved [illegible] School Stove.

PROTECTION TO AMERICAN INDUSTRY!

Improvement of Rivers & Harbors!

A BENEFICENT GOVERNMENT,

Doing equal justice to all parts of the Republic—caring first for its own—not unmindful of the Rights of others—an Example to the Nations.

WHIG NOMINATIONS.

FOR PRESIDENT,

WINFIELD SCOTT!

"A proposition was made to me to remain in Mexico and govern it. *They offered me one million of dollars as a bonus, with a salary of $250,000 per annum, and five responsible individuals to become security in any Bank in New-York which I might name.* But I loved my distant home, the soil of my own beloved country and its free institutions. I CAME BACK TO DIE UNDER THOSE INSTITUTIONS, and here I am.—[*Gen. Scott's speech.*

"I called around me men that could be trusted, and told them the hour had come for a decisive blow—that a work MUST BE DONE ON THE CANADA FRONTIER that would lift the hearts of the American People from the gloom of recent events, and enable them and their children to ring bells, to fire cannon and build bonfires IN COMMEMORATION OF AMERICAN VICTORIES that should obscure the memory of Hull's surrender. WE FELL TO WORK AND THE THING WAS DONE. The BATTLES of CHIPPEWA and LUNDY'S LANE followed.—[*Gen. Scott.*

"I shall be ready, also, to recommend or approve of a single alteration in our Naturalization Laws, suggested by my Military experience, viz:—Giving to all Foreigners the right of Citizenship who shall faithfully serve in time of war one year on board of our public ships, or in our land forces, regular or volunteer, on their receiving an honorable discharge from the service."—*Scott's Letter of Acceptance.*

"Certainly it would be impossible for me to recommend or support any measure intended to exclude them from a ***JUST AND FULL PARTICIPATION IN ALL CIVIL AND POLITICAL RIGHTS NOW SECURED TO THEM*** by our Republican Laws and Institutions.—*General Scott's Letter.*

I said to them that a man traveling through this State would nowhere be without a school house or church of God under his eye; and *where these go together, good faith and public credit are inevitable.* And this is a truth which cannot be too often impressed upon the mind. WITHOUT THE UNION OF EDUCATION AND RELIGION, THERE IS NO FAITH IN MAN.—*From Gen. Scott's Speech at Dayton.*

Who is the Candidate of a Foreign Power?

From the London Times.

"THE TRIUMPH OF THE CANDIDATE OF THE DEMOCRATIC PARTY, BROUGHT FORWARD BY THE MEN OF THE SOUTH, WILL SECURE, PROBABLY, FOREVER, THE ASCENDENCY OF LIBERAL COMMERCIAL PRINCIPLES, and if Lord Derby should next year be disposed to take the American tariff for his model, we have little doubt that IT WILL SERVE TO REMOVE THE LAST ILLUSIONS OF THE PROTECTIVE SYSTEM FROM HIS MIND. In this respect and on this point, we take Gen. Pierce to be a fair representative of the opinions of Mr. Calhoun, and, as such, a valuable PRACTICAL ALLY to the Commercial policy of this country."

From the Manchester Examiner.

"The election of Gen. Pierce will at any rate prove that the Democratic majority, whatever may be their other differences, are unanimous in their testimony on behalf of a liberal commercial policy, and any government he may form will be ONE ON WHICH THIS COUNTRY MAY RELY FOR EFFECTUAL CO-OPERATION IN REDUCING, wherever practicable existing impediments to international intercourse."

From Wilmer & Smith's European Times.

"As regards England, public sympathy, it is needless to say, is enlisted on the side of the Democratic candidate. Not that Gen. Pierce is considered the BETTER MAN. FAR OTHERWISE. He is merely the accepted nominee of that great party of the Union who DESIRE TO PUSH THE PRINCIPLE OF FREE TRADE TO ITS UTMOST LIMITS."

From the London Despatch.

"The two parties of the Republic, Whig and Democrat—that is, Conservative and Progressive, protectionist and Free Trade—appear to have marshalled their forces, and selected their candidates for the coming election. EVERY ENGLISHMAN, of almost every class, REJOICES IN THE EXPECTATION OF SUCCESS FOR THE DEMOCRATIC, PROGRESSIVE, FREE TRADE PARTY."

Internal Improvements.

WHIG RESOLUTION:

6. *The Constitution vests in Congress the power* to open and repair harbors, and remove obstructions from navigable rivers; and it is expedient that Congress shall exercise that power *whenever such improvements are necessary for the common defence or for the protection and facility of commerce with foreign nations or among the States;* such improvements being, in every instance, national and general in their character.

To this sentiment Gen. SCOTT cordially subscribes.

LOCOFOCO RESOLUTION:

2. *That the Constitution does not confer upon the General Government the power* to commence and carry on a general system of internal improvements.

To this sentiment Gen. PIERCE not only subscribes, but in a speech delivered by him at Bradford, N. H., no longer ago than last January, he said,

"That appropriations by the Federal Government for the improvement of rivers and harbors were of a purely Federal character, and *repugnant to the principles and practices of the Democracy of this State,*" and "that no person elected to Congress from this State HAD EVER SUPPORTED measures for these purposes."

The Albany Argus says:—"The denial of the right of the General Government to prosecute works of internal improvement within the States, is, in its general terms, the doctrine of the democracy, and, as we believe, the sound constitutional doctrine!"

The Religious Test.

At the last State Convention of the Whigs of New Hampshire, the following among other resolutions was unanimously adopted:

Resolved, That we believe it to have been the design of the founders of the government, to make America the Asylum of the oppressed, but never to the subversion of its distinctive character—that it may be the refuge alike from religious and political oppression, and that within its boundaries our privileges should be unabridged by religious opinions: THEREFORE WE, THE WHIGS OF NEW HAMPSHIRE, ARE DECIDEDLY IN FAVOR OF BLOTTING THE RELIGIOUS TEST FROM OUR CONSTITUTION.

The Whigs have VOTED on the TEST agreeably to the sentiment of this Resolution, while the Locofocos, *with the power to repeal it,* have suffered it to remain!

PROCLAMATION BY THE GOVERNOR.

AS A PEOPLE we have abundant reason for the exercise of gratitude to the Supreme Being, for the condition of health, the abundant harvest, the peaceable submission to civil law and order, and the general prosperity with which we have been favored, as a State during the past year. And as the unworthy recipients of these and other kind blessings, we are called upon to suitably recognize the Benevolent source, "whence cometh every good and perfect gift."

THEREFORE, I, LEONARD J. FARWELL, Governor of the State of Wisconsin, hereby appoint Thursday, the TWENTY FIFTH day of November next, as a day of Thanksgiving to ALMIGHTY GOD. And respectfully request the people of Wisconsin to properly observe the same.

L. S. In witness whereof I have hereunto set my hand and caused the Great Seal of the State to be affixed at Madison, this twenty fifth day of October, in the year of Our Lord, One Thousand Eight Hundred and Fifty Two.

By the Governor, LEONARD J. FARWELL.

RETURNS,—The Election Returns will be announced to-night at the Club Room on Wisconsin Street, as fast as received.

ELECTION TO-DAY!

TO-DAY the People of these United States, numbering twenty-five millions, and spreading over a vast Continent, make choice of their Chief Magistrate for the ensuing four years. TO-DAY decides which of the two prominent candidates, WINFIELD SCOTT, or FRANKLIN PIERCE, is to be selected for this high trust. TO-DAY decides whether the principles and measures avowed and advocated by the Whig party of the Union, or those upheld and maintained by their political adversaries, are to receive the popular sanction. TO-DAY decides whether the beneficent policy of ENCOURAGEMENT TO AMERICAN MANUFACTURES, PROTECTION TO HOME LABOR, and Improvement of our WESTERN RIVERS AND HARBORS is to be successfully maintained against the opposing and ruinous doctrines of *British Free Trade* and *No Internal Improvements by the General Government!*

READER! Your vote is wanted upon this question. Your influence, be it great or small, can help to turn the scale. Remember you have a high DUTY to discharge this day. It is a duty which EVERY MAN owes to his country and which none, who rightly appreciate the privileges of American Freemen, will shrink from performing. Come then, FRIENDS AND FELLOW-CITIZENS, one and all, to the Polls TO-DAY, and bear part in the verdict which is to be returned by the GRAND INQUEST OF THE AMERICAN PEOPLE.

REMEMBER TO VOTE TO-DAY!

"LOOK TO THE FIRST WARD"!

The *News* appeals to its friends to rally to the support of MR. WILSON, the Pierce nominee in the First Ward, whom it describes as "a working man," "one of the people," &c. &c. MR. WILSON has already represented the First Ward in the Legislature of this State, and in that capacity did nothing but mischief. We doubt whether the Electors of the Ward will consent to send him to Madison a second time to renew his pranks.

The *News* opposes MR. TWEEDY as one "who has no sympathy with *the people,* and no knowledge, or care for their wants." This is the slang of mere demagogueism. There is not, in all Milwaukee, a man whose sympathies are more actively and warmly enlisted in behalf of "the people," or one who possesses a better knowledge and would exercise a more vigilant, untiring and intelligent care for their wants, than JOHN H. TWEEDY. The City of Milwaukee can send no abler advocate, no more faithful and influential representative to our State Legislature. And if we do not entirely misread the signs of the times the First Ward will manifest TO-DAY its preference for JOHN H. TWEEDY by a commanding majority.

DURAND FOR CONGRESS!

TARIFF MEN! Be sure and give your votes *today* for the TARIFF candidate. MR. DURAND is a firm friend and unflinching advocate of HOME PROTECTION and HARBOR IMPROVEMENTS—the two great interests of the West. Stand by him at the Polls *to-day!* Show by the zeal and unanimity with which you support him that you are EARNEST in the work. We need in Congress men who believe in and will maintain the *principle* of Protection. Such a man is HENRY S. DURAND, and for such only should Tariff men vote!

VOTE FOR THE BANKING LAW!

REMEMBER that a *separate Ballot* is required to-day, on the subject of the Banking Law, and don't forget to put in a vote *in favor* of the Law. Ballots will be found at the different polls.

THE WASHINGTON MONUMENT.—Look out for the box at each poll, and deposite your contribution in aid of this GREAT NATIONAL TESTIMONIAL.

CHARGE AGAIN!

When the gallant Scott lay bleeding upon the battle field of Lundy's Lane, and when he was suffering intense agony from what was deemed a death wound, he gave the order to

"CHARGE AGAIN!"

The order was obeyed, and Victory perched upon our banner.

The British shouted with joy when they saw that stalwart form stretched upon the bloody plain—when his plume waved no more in the front of battle, where the bullets rained thickest and the carnage raged deadliest—when his voice was no more heard animating his shattered battalion to the conflict.

Just so the enemies of Home Labor and Western Improvements, under the lead of FRANKLIN PIERCE, the candidate of the British Free Trade press, have been shouting with joy over their temporary and doubtful success in Pennsylvania and Ohio. "SCOTT IS WOUNDED TO THE DEATH," has been for ten days past their rallying cry.

Now we stand in battle array again, on one side WINFIELD SCOTT and the army of friends of American Industry—on the other, FRANKLIN PIERCE and the British Free Trade Party. The Victory, in *this* land, ought not to be doubtful between the two.

So, CHARGE AGAIN! for American Labor.—Franklin Pierce and his party are arrayed against it. Men of America, you know it! How will you act to-day? CHARGE AGAIN! for Harbor and River Improvements. Here is the record of Mr. Pierce's position upon the question:

June 27th, 1834, Harbor and River Bill, appropriating $722,357, *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

March 3d, 1835, appropriating $425,167 *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

July 2d, 1836, appropriating $548,119 *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

March 3d, 1837, appropriating $1,373,722, *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

July 7th, 1838, appropriating $1,469,108 *opposed* by Franklin Pierce, ☞ *approved* by Martin Van Buren.

August 3d, 1846, appropriating $1,283,456, *opposed* by all the New Hampshire Democratic Senators and Representatives, and ☞ *vetoed* by James K. Polk!

Voters of Wisconsin! do you want that man for President? ANSWER TO-DAY! CHARGE AGAIN! for the Right of Petition! Steadily, at every opportunity while in Congress, Mr. Pierce voted against this sacred right. Will you have him for your President?

CHARGE AGAIN! and repel the horde of plunderers of the public funds—the successors of the Swartwouts and Hoyts—who have been kept away from the Treasury for years, and are crowding now a desperate, famished host—striving to break in to riot upon the property of the people as they did for years gone by.

CHARGE AGAIN! and send away in shame and confusion, the routed legions of wanton slanderers of the name and fame of WINFIELD SCOTT. That name is emblazoned in letters of living light on the records of our country from his early youth when he tore from its staff the British ensign at Ft George,—it rang, the prestige of victory, at Chippewa and Lundy's Lane, at San Juan d'Ulloa and Cerro Gordo, at Contreras and Churubusco, and at the gates of Mexico. The Hero who bears it, now our honored leader, has won for his country and for himself still brighter glories in the paths of peace. Detraction has been busy with that name. CHARGE AGAIN, then! you who love your country, and her distinguished sons, and repel the slanderers. GIVE THEM "THE COLD IRON," to-day!

Close up the ranks, and charge for SCOTT, GRAHAM, DURAND and THE WHOLE SCOTT TICKET.

The Plan of the Battle.

"*The enemy's whole line of entrenchments and batteries will be attacked in front and at the same time turned early in the day to-morrow—probably before 10 o'clock, A. M.*"

The above are the remarkable words written by Winfield Scott, in his general orders to his army the night before the terrible battle of Cerro Gordo. The plan was carried out to the letter, and the enemy's line was turned early in the day.

LET IT BE SO TO-DAY! *Be early on hand at the polls.* Let the attack be commenced with spirit at 9 A. M. and be general along the whole line.

Far more important consequences hang upon the result of this day's conflict than could have depended upon a victory or defeat at Cerro Gordo. Close up the ranks, then, and FORWARD TO THE CHARGE!

WINFIELD SCOTT ALWAYS CONQUERS!

GIVE THE LIE TO THAT SLANDER! CHARGE!

When Gen. Scott's brigade stood front to front with the British line at Chippewa, some of the enemy's officers cried out—"*They can't stand the cold iron!*"

Gen'l Scott's clarion voice immediately rung out with the words:—

"**The Enemy say we can't stand the Cold Iron. I call upon the Eleventh instantly to give the Lie to that Slander! CHARGE!!**"

And the "Eleventh" *did* charge, and swept the enemy from their guns in double quick time.

So now the Scott men of Wisconsin, under the same gallant leader, stand front to front with the enemies of the best interests of their country. So now, those enemies have poured out the most wanton slanders upon the heads of the Hero and his followers.

As the brave "Eleventh" charged upon the enemy at Chippewa, so let the friends of WINFIELD SCOTT and AMERICAN LABOR charge TO-DAY, and *give the lie to the Slanderers.*

SCOTT LEADS THE COLUMN! VICTORY CANNOT BE DOUBTFUL!!

DESPERATE TO THE LAST!

The Morning *News* still clings to its FORGERY in regard to Gen. SCOTT'S "instructions to his recruiting officers" and parades it, in capitals, as follows:—

Scott's Opinion of Foreigners.

In his instructions to his recruiting officers in 1847, Gen. Scott said:—

"*You are instructed* NOT TO ENLIST FOREIGNERS, *for the battalion of St. Patrick has taught us that* FOREIGNERS CANNOT BE TRUSTED."

The *News* has not even the "wretched plea" of ignorance to excuse its persistence in this BASE FORGERY. It *knows* it to be a wanton and wholesale fabrication, and yet, for party's sake, continues to publish it. Who believes that such "cheating play" will prosper?

THE SCOTT PARTIZAN'S LAST CARD.

The Whig managers are resorting to every species of dishonorable tricks that ingenuity can invent, to impose upon the electors of the State. At the instance of the Sentinel clique, they have issued handbills in German, appealing to the Catholics as a body to vote for Scott and Graham.—*Wisconsin* of yesterday.

This is an ENTIRE FABRICATION. The "Whig Managers" have issued no such appeal, nor has the *Sentinel* advised, or instigated anything of the kind. The *Wisconsin* makes the charge at random, and with its usual recklessness of the truth.

Our County Ticket.

The ticket nominated by the Scott Convention for County Officers is a most excellent one. It is made up of men abundantly well fitted for the offices for which they are nominated, and every man on the ticket ought to be elected. HARD WORK must be expected, but *hard work will do it.* Mark that! Scott men of Milwaukee county! and work TO-DAY. Let the votes, when counted to-night show a clean majority for the WHOLE Ticket!—Let us make a clean sweep this time!

The Roman Catholic Question.

The *Sentinel* tries to excuse itself for its Roman Catholic appeals, on the ground that Pierce journals have done the same thing.—*Wisconsin* of yesterday.

This is a misrepresentation, of course. The *Sentinel* has neither made any such appeals, nor offered any such excuse.

Look at This!

A circular printed in German, signed by a number of German names, is scattered around the streets, containing the charge that Democracy is Infidelity, and Whiggery is *Catholicism!* and urging Roman Catholics to throw their votes *in a body* for WINFIELD SCOTT, *as the Catholic candidate.—Morning News.*

As might be expected, this is a gross and wanton perversion. The "circular" of which the *News* speaks makes no such charge, nor any such appeal. If it did, the *News,* instead of misrepresenting its tenor and language, would have published it in full.

VERMONT, MASSACHUSETTS, CONNECTICUT, NEW YORK, NEW JERSEY, DELAWARE, MARYLAND, NORTH CAROLINA, FLORIDA, KENTUCKY, TENNESSEE, LOUISIANA, CALIFORNIA, OHIO, and PENNSYLVANIA, WILL DIVIDE THE HONOR OF ELECTING WINFIELD SCOTT, unless, which is not at all unlikely—MAINE, MICHIGAN, ILLINOIS, WISCONSIN and IOWA, come in and claim a share.—*Buffalo Express.*

Illinois will have the honor of dividing the glory of electing Scott, with the States mentioned in the Express. Our whigs will not be behind when "Scott leads the column."—They led the van on Buena Vista's bloody field, and they will "charge again" for victory in the battle for free speech, right of petition, improved harbors and protection to home labor. "Forward!"—*Chicago Journal.*

WISCONSIN, too, will not be behind, in such a contest. Let us all pull together to-day, and to morrow's sun will rise upon a scene which will do the hearts of the Friends of Home Labor good. Let the word be SCOTT, GRAHAM and DURAND, and WISCONSIN CAN BE REDEEMED!

PENNSYLVANIA ALL RIGHT!—We have every confidence that the returns from the Keystone State will show a large majority for SCOTT. The returns of the late State election show that over *Thirty Thousand Whigs* stayed at home on that day. The Pittsburg *Gazette* sums up the vote, and says:

"We feel so much encouraged by this result of our figures, that whatever doubts had arisen in our minds by the disaster of the second Tuesday of October, are completely dispelled. We say to our friends at home and abroad, as we have not said since the State election, Pennsylvania is sure for Scott and Graham.

WITHOUT INCREASING THE WHIG VOTE ONE SINGLE FIGURE OVER THE WHIG VOTE FOR PRESIDENT IN 1848, WE SHALL GIVE A MAJORITY OVER HOPKINS' BOASTED MAJORITY OF 14,360! IT IS PERFECTLY CERTAIN, THAT SCOTT WILL RECEIVE THIRTY THOUSAND VOTES MORE THAN WERE CAST FOR HOFFMAN, THE WHIG CANDIDATE FOR CANAL COMMISSIONER!

AN ITEM FOR THE LADIES.—A new bonnet has made its appearance in Paris—originated by Mad. DUBAY D'GOLBERG, a name famous in the firmament of European fashion. The material is *new* as well as the *style.* It is made of the skin of polished leather. Madame has secured a patent for her ingenuity. (the *Home Journal* here, has learned.) and has conferred its exclusive sale in England, upon a dashing miliner in Regent street, London. The *Journal* adds: "The possession of these bonnets has already become a perfect *furore* to Paris; and the really beautiful way in which the material is made subservient to every style of wearer, from the truly coquettish to the sombre, or demure, fully justifies that distinction." This new article of dress is called the *Dipthera* Bonnet.

A Lost "Card."

"A CARD TO THE PUBLIC," signed by H. SCHWARTING and A. EHLEBRACHT, was placarded about the City yesterday, designed especially for the meridian of the First and Second Wards, in which it is charged that "an appeal to Irish Catholic, got up by Whigs and Whig Catholic clergymen, has been circulated in this city and the neighboring counties" &c. We are authorized and requested to say that no clergyman, Catholic or Protestant, had anything to do with getting up, advising, or circulating said "appeals."

☞ John Barrett, who has been connected with the Boston and Lowell Railroad since it was built, is probably the oldest Railroad conductor in the United States. He has traveled over that road during the last eighteen year. over *six hundred thousand miles!*

City Matters.

MILWAUKEE AND MISSISSIPPI RAILROAD.—We are indebted to the Secretary of the Company for the footings for October, which are as follows:

Freight,	$9,674.53
Passengers,	5,397.59
Total,	$15,072.12

For the past ten days the weather has been very wet and stormy, and the receipts have not kept up their regular increase, but the above figures show a very large increase over September, and indicate a business upon the road far beyond the most sanguine anticipations of its best friends. The road has arrived at a point in its history where it is able to take care of itself, by bringing to its aid capital for investment, and it must be one of the best paying roads in the West.

EXCITING TIMES.—After a bright sunrising, the sky soon clouded yesterday, and the rain came down, now gently, and now in torrents. The streets are in a frightful condition, and the roads in worse. Yet all day long crowds of men stood at the corners canvassing, now and then some individual, seemingly more enthusiastic than the rest, calling bystanders about him by louder talk than was seemly.

All day long, the candidates for "naturalization" and "declaration" poured into the offices of the Clerks of the U. S., and Circuit Courts.

All day long the candidates for office were busy as bees, and some of them left a *sting* behind them.

To-day, when we looked forward to it last night bade fair to be a regular rainy, muddy election day.

A GOOD SPEECH.—The Scott Volunteers, at their meeting on Saturday evening, were surprised by a speech from an unexpected source. A son of Mr. THOMAS KEOGH, the efficient Secretary of the 3d Ward Scott Club, was called out, and, as we said, surprised his audience, himself, and us, by making a telling speech to his Irish fellow-citizens. We are glad to make a note of it, because the young man is an apprentice of ours, and was determined to do some good for the cause, although he could not vote. We have reason to be proud of him.

An Appeal to Webster Men.

The New York *Courier* and *Enquirer,* the ablest and most influential of the Whig presses which urged the nomination of DANIEL WEBSTER for the Presidency by the Whig National Convention, thus eloquently invokes all true friends of the departed Statesman to give a living proof of the regard in which they hold his principles, by casting their votes *to-day* for WINFIELD SCOTT:

Fellow Whigs—friends and admirers of the great departed; you may not in your grief for the dead, forget your duty to the living. Men "fade away suddenly, like the grass. In the morning it is green and groweth up: but in the evening it is cut down, dried up and withered." But their principles perish not with them.—Daniel Webster is gone: but his principles—those principles inscribed upon the Whig banner, to which his whole life was devoted, and by which he died—are as immortal as is the spirit of him who was their great expounder and supporter.—They needed support from you even when our great Leader was with us, nobly battling in their defence; and doubly do they need it now that he is no longer here to lead us on to battle and to victory. Shall we shirk from our duty on Tuesday next, and by staying at home, turn our backs upon the great principles to which Daniel Webster devoted all the energies of his mighty intellect? or shall we ruthlessly trample them in the dust, by voting for Franklin Pierce, who by word and deed, stands pledged to prove them false, and thus dishonor the faith and the life of our departed friend? Or shall we in imitation of the patriotism of Daniel Webster, and mindful alike of our duty to our country, our self respect, and the wishes of the illustrious dead—give to the nominee of the Baltimore Convention, that zealous and unanimous support, to which as the Representative of the principles of the great Whig Party, he is so justly entitled?

It may not be out of place to add, in this connection, the following positive statement which we copy from the New York *Commercial Advertiser,* a high-toned and entirely reliable paper:

In this connection we quote the following from the Commercial Advertiser of yesterday: "*A letter was written by Mr. Webster, acknowledging the binding character of the nomination by the Whig Convention at Baltimore, and withdrawing all opposition to it on his part. It was written by himself, and given to a gentleman to copy; and he would have sent it to the New York gentleman, who wrote to him on the subject, but for his sickness. The letter to him and the substance of his reply may yet appear.*"

We cannot doubt what will be the response of every *Webster Whig* to this appeal. He will feel to the innermost recesses of his soul, that it comes from the grave of the greatest of American Statesmen—one of her purest and most devoted Patriots; from one who living had no rival in expounding and illustrating the Constitution, and who, tho' dead, still gives to the principles upon which it is based, a triumphant victory. Every page of our History which records the events of the last thirty years, will illustrate the genius, the Patriotism, and the greatness of Daniel Webster; but the brightest page in that history—the one which will be alike honorable to the living and the dead—will be that which records, that the triumph of Whig principles in 1852, was mainly attributable to the universal respect which a whole nation bore for him who had illustrated those principles with his life and in his death. Living, he had no equal—dead he exercises an influence even greater than that which he possessed in life, backed by the power and the patronage of Government! What greater or higher compliment could be paid to our departed friend and Leader? and yet this just tribute to the memory of the dead, it is in the power of his friends to bestow!! Let us then, one and all do our duty at the approaching election; and it will prove the noblest ovation to the memory of Daniel Webster.

From the Boston Atlas

Ohio sure for Scott.

Cleveland, Oct. 21.

DEAR COLONEL:—Returns from the entire State show that the Locofoco majority on Congressmen is less than 5,000. Now this is only part of the ticket which called out the party strength. This is admitted by Locofocos. Consider also the fact that in at least *eleven* out of the *twenty-one* districts, there was no hope for the Whigs, in consequence of the Locofoco *Gerrymander,* and that in those district the Whigs made but a feeble rally, and you have the fullest conception an honest man can realise of the Locofoco *victory.* Last year the Locofocos carried the State by 26,000; this year they rally their full strength and carry it by almost 5,000! A majority of 21,000 sunk, in an ordinary, spiritless State canvass. What will become of them when the Old Thunderer takes after them on the 2d of November?

If there is a Locofoco in Boston who believes Gen. Scott will not lead every Whig candidate we have in the field for Congress, do spare him for a trip to Ohio. We would like to gaze at him. We can't find any such here.

The returns show one other fact, to wit: that 40,000 voters were not at the polls at our recent election. *Our* Locofocos greatly *fear* it will happen that when those reserve voters step to the ballot box, in November, most of them will turn up Whigs. This is the apprehension.

Now I don't want your readers to blab it about, but Ohio is for SCOTT *sure.*

HESPERUS.

A GOOD ONE.—A gentleman of this city, who has just returned from a political mission in Wisconsin, met a German citizen near his place of business on his return, reading the German Locofoco newspaper published here. "Ah! my friend," said Mr.——— "I see you are well employed, you are reading the Democratic paper—I have just returned from Milwaukee, and I am sorry to say that I fear that the Germans and Irish are many of them going for Scott." "Are they, indeed?" said the German," well I rejoice to hear it, for I assure you *I am one of them—I am going for Scott also!*" *Our Locofoco friend left!—Detroit Advertiser.*

BLOODED STOCK FOR WISCONSIN.—We yesterday saw, going on board the *Empire State,* a Devon bull and heifer, a fine short-horn heifer, sixteen Cotsewold sheep, and a Suffolk breeding sow, together with a coop of beautiful China geese, and a tribe of little bantam chickens, the property of John B. Macy Esq., bound for his extensive farm near Fond du Lac. They were all from the choice stock of Lewis F. Allen, Esq. at his Grand Island farm.

A number of choice animals have previously been purchased of Mr. Allen this season, by gentlemen near Fond du Lac, for the improvement of the farm stock in that region; and probably no part of the new Western world is more rapidly improving in its agriculture than the rich lands of central Wisconsin.—*Buffalo Courier.*

MILWAUKEE ENGINE.—We inspected a few days since, a Locomotive Engine, made at Milwaukee for the Railroad there. We can only say it looks as well as any one we have ever seen, and we imagine it will do as well. We bespeak four as good for 1853. Two for the Racine & Mississippi road, and two for the Lake Shore road.—*Racine Commercial.*

DETRACTION.

In a hyena's gall his pen he dips,
Gall that from juice of dead men's bones was brewed:
And breathing on it with malignant lips,
He stains a fair page for his hood-wink'd brood;
Death scarce has time to finish the eclipse
Of light—the glory of their native land,
Calhoun, and Clay—and Webster now no more—
But this blind reptile, with an impious hand—
The servant of a heart without a core—
Must tell their fancied failings o'er and o'er.

Aye, true—"they all have gone to their reward."
Gone, where the tongue of greedy cant is dumb,
Gone to be measured by their bright compeers,
Measured we hope by wider minds than thine.
When thou, in narrow minded circle barr'd,
That think no good from Nazareth can come—
Shalt sink like other froth, their names will shine
The beacon lights of mind for future years!

AMO.

LINES,

WRITTEN AT SUNSET, Oct. 22d, 1852.

Sink, thou Autumnal Sun!
The trees will miss the radiance of thine eye,
Clad in their Joseph-coat of many a die;
The clouds will miss thee in the fading sky.
But now o'er other scenes thy race must run,
This day of glory done.

Sink, thou of nobler light!
The land will mourn thee in its darkening hour;
Its heavens grow gray at thy retiring power,
Thou shining orb of mind, thou beacon tower!
Be thy great memory still a guardian might,
When thou art gone from sight.

WORTHY OF ALL CONFIDENCE.

DR. STORM'S CELEBRATED SCOTCH COUGH CANDY.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Storm's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of all confidence as a remedy in diseases of the Chest and Lungs.

A BENEFICENT GOVERNMENT,

Doing equal justice to all parts of the Republic—caring first for its own—not unmindful of the Rights of others—an Example to the Nations.

WHIG NOMINATIONS.

FOR PRESIDENT,

WINFIELD SCOTT!

"A proposition was made to me to remain in Mexico and govern it. *They offered me one million of dollars as a bonus, with a salary of $250,000 per annum, and free responsible individuals to become security in any Bank in New-York which I might name.* But I loved my distant home, the soil of my own beloved country and its free institutions. I CAME BACK TO DIE UNDER THOSE INSTITUTIONS, and here I am.—[*Gen. Scott's speech.*

"I called around me men that could be trusted, and told them the hour had come for a decisive action—that a work MUST BE DONE ON THE CANADA FRONTIER that would lift the hearts of the American People from the gloom of recent events, and enable them and their children to ring bells, to fire cannon and build bonfires IN COMMEMORATION OF AMERICAN VICTORIES that should obscure the memory of Hull's surrender. WE FELL TO WORK AND THE THING WAS DONE. The BATTLES of CHIPPEWA and LUNDY'S LANE followed.—[*Gen. Scott.*

"I shall be ready, also, to recommend or approve of a single alteration in our Naturalization Laws, suggested by my Military experience, viz:—Giving to all Foreigners the right of Citizenship who shall faithfully serve in time of war one year on board of our public ships, or in our land forces, regular or volunteer, on their receiving an honorable discharge from the service."—*Scott's Letter of Acceptance.*

"Certainly it would be impossible for me to recommend or support any measure intended to exclude them from a *JUST AND FULL PARTICIPATION IN ALL CIVIL AND POLITICAL RIGHTS NOW SECURED TO THEM* by our Republican Laws and Institutions.—*General Scott's Letter.*

I said to them that a man traveling through this State would nowhere be without a school house or church of God under his eye; and *where these go together, good faith and public credit are inevitable.* And this is a truth which cannot be too often impressed upon the mind. WITHOUT THE UNION OF EDUCATION AND RELIGION, THERE IS NO FAITH IN MAN.—*From Gen. Scott's Speech at Dayton.*

Who is the Candidate of a Foreign Power?

From the London Times.

"THE TRIUMPH OF THE CANDIDATE OF THE DEMOCRATIC PARTY, BROUGHT FORWARD BY THE MEN OF THE SOUTH, WILL SECURE, PROBABLY, FOREVER, THE ASCENDENCY OF LIBERAL COMMERCIAL PRINCIPLES, and if Lord Derby should next year be disposed to take the American tariff for his model, we have little doubt that IT WILL SERVE TO REMOVE THE LAST ILLUSIONS OF THE PROTECTIVE SYSTEM FROM HIS MIND. In this respect and on this point, we take Gen. Pierce to be a fair representative of the opinions of Mr. Calhoun, and, as such, a valuable PRACTICAL ALLY to the Commercial policy of this country."

From the Manchester Examiner.

"The election of Gen. Pierce will at any rate prove that the Democratic majority, whatever may be their other differences, are unanimous in their testimony on behalf of a liberal commercial policy, and any government he may form will be ONE ON WHICH THIS COUNTRY MAY RELY FOR EFFECTUAL CO-OPERATION IN REDUCING, wherever practicable existing impediments to international intercourse."

From Wilmer & Smith's European Times.

"As regards England, public sympathy, it is needless to say, is enlisted on the side of the Democratic candidate. Not that Gen. Pierce is considered the BETTER MAN. FAR OTHERWISE. He is merely the accepted nominee of that great party of the Union who DESIRE TO PUSH THE PRINCIPLE OF FREE TRADE TO ITS UTMOST LIMITS."

From the London Despatch.

"The two parties of the Republic, Whig and Democrat—that is, Conservative and Progressive, protectionist and Free Trade—appear to have marshalled their forces, and selected their candidates for the coming election. EVERY ENGLISHMAN, of almost every class, REJOICES IN THE EXPECTATION OF SUCCESS FOR THE DEMOCRATIC, PROGRESSIVE, FREE TRADE PARTY."

Internal Improvements.

WHIG RESOLUTION:

6. *The Constitution vests in Congress the power* to open and repair harbors, and remove obstructions from navigable rivers; and it is expedient that Congress shall exercise that power *whenever such improvements are necessary for the common defence or for the protection and facility of commerce* with foreign nations or among the States; such improvements being, in every instance, national and general in their character.

To this sentiment GEN. SCOTT cordially subscribes.

LOCOFOCO RESOLUTION:

2. *That the Constitution does not confer upon the General Government the power* to commence and carry on a general system of internal improvements.

To this sentiment Gen. PIERCE not only subscribes, but in a speech delivered by him at Bradford, N. H., no longer ago than last January, he said,

"That appropriations by the Federal Government for the improvement of rivers and harbors were of a purely Federal character, and *repugnant to the principles and practices of the Democracy of this State,*" and "that no person elected to Congress from this State HAD EVER SUPPORTED measures for these purposes."

The Albany Argus says:—"The denial of the right of the General Government to prosecute works of internal improvement within the States, is, in its general terms, the doctrine of the democracy, and, as we believe, the sound constitutional doctrine!"

The Religious Test.

At the last State Convention of the Whigs of New Hampshire, the following among other resolutions was unanimously adopted:

Resolved, That we believe it to have been the design of the founders of the government, to make America the Asylum of the oppressed, but never to the subversion of its distinctive character—that it may be the refuge alike from religious and political oppression, and that within its boundaries civil privileges should be unabridged by religious opinions: THEREFORE WE, THE WHIGS OF NEW HAMPSHIRE, ARE DECIDEDLY IN FAVOR OF BLOTTING THE RELIGIOUS TEST FROM OUR CONSTITUTION.

The Whigs have VOTED on the TEST agreeably to the sentiment of this Resolution, while the *Locofocos, with the power to repeal* it, have suffered i to remain!

THANKSGIVING.
PROCLAMATION BY THE GOVERNOR.

AS A PEOPLE we have abundant reason for the exercise of gratitude to the Supreme Being, for the condition of health, the abundant harvest, the peaceable submission to civil law and order, and the general prosperity with which we have been favored, as a State during the past year. And as the unworthy recipients of these and other kind blessings, we are called upon to suitably recognize the Benevolent source, "whence cometh every good and perfect gift."

THEREFORE, I, LEONARD J. FARWELL, Governor of the State of Wisconsin, hereby appoint Thursday, the TWENTY FIFTH day of November next, as a day of Thanksgiving to ALMIGHTY GOD. And respectfully request the people of Wisconsin to properly observe the same.

L. S. In witness whereof I have hereunto set my hand and caused the Great Seal of the State to be affixed at Madison, this twenty fifth day of October, in the year of Our Lord, One Thousand Eight Hundred and Fifty Two.

ELECTION TO-DAY!

TO-DAY the People of these United States, numbering twenty-five millions, and spreading over a vast Continent, make choice of their Chief Magistrate for the ensuing four years. TO-DAY decides which of the two prominent candidates, WINFIELD SCOTT, or FRANKLIN PIERCE, is to be selected for this high trust. TO-DAY decides whether the principles and measures avowed and advocated by the Whig party of the Union, or those upheld and maintained by their political adversaries, are to receive the popular sanction. TO-DAY decides whether the beneficent policy of ENCOURAGEMENT TO AMERICAN MANUFACTURES, PROTECTION TO HOME LABOR, and Improvement of our WESTERN RIVERS AND HARBORS is to be successfully maintained against the opposing and ruinous doctrines of *British Free Trade* and *No Internal Improvements by the General Government!*

READER! Your vote is wanted upon this question. Your influence, be it great or small, can help to turn the scale. Remember you have a high DUTY to discharge this day. It is a duty which EVERY MAN owes to his country and which none, who rightly appreciate the privileges of American Freemen, will shrink from performing. Come then, FRIENDS AND FELLOW-CITIZENS, one and all, to the Polls TO-DAY, and bear part in the verdict which is to be returned by the GRAND INQUEST OF THE AMERICAN PEOPLE.

REMEMBER TO VOTE TO-DAY!

"LOOK TO THE FIRST WARD"!

The *News* appeals to its friends to rally to the support of MR. WILSON, the Pierce nominee in the First Ward, whom it describes as "a working man," "one of the people," &c. &c. MR. WILSON has already represented the First Ward in the Legislature of this State, and in that capacity did nothing but mischief. We doubt whether the Electors of the Ward will consent to send him to Madison a second time to renew his pranks.

The *News* opposes MR. TWEEDY as one "who "has no sympathy with *the people,* and no know-"ledge, or care for their wants." This is the slang of mere demagogueism. There is not, in all Milwaukee, a man whose sympathies are more actively and warmly enlisted in behalf of "the people," or one who possesses a better knowledge and would exercise a more vigilant, untiring and intelligent care for their wants, than JOHN H. TWEEDY. The City of Milwaukee can send no abler advocate, no more faithful and influential representative to our State Legislature. And if we do not entirely misread the signs of the times the First Ward will manifest TO-DAY its preference for JOHN H. TWEEDY by a commanding majority.

DURAND FOR CONGRESS!

TARIFF MEN! Be sure and give your votes *today* for the TARIFF candidate. MR. DURAND is a firm friend and unflinching advocate of HOME PROTECTION and HARBOR IMPROVEMENTS—the two great interests of the West. Stand by him at the Polls *to-day!* Show by the zeal and unanimity with which you support him that you are EARNEST in the work. We need in Congress men who believe in and will maintain the *principle* of Protection. Such a man is HENRY S. DURAND, and for such only should Tariff men vote!

VOTE FOR THE BANKING LAW!

REMEMBER that a *separate Ballot* is required to-day, on the subject of the Banking Law, and don't forget to put in a vote *in favor* of the Law. Ballots will be found at the different polls.

THE WASHINGTON MONUMENT.—Look out for the box at each poll, and deposite your contribution in aid of this GREAT NATIONAL TESTIMONIAL.

CHARGE AGAIN!

When the gallant Scott lay bleeding upon the battle field of Lundy's Lane, and when he was suffering intense agony from what was deemed a death wound, he gave the order to

"CHARGE AGAIN!"

The order was obeyed, and Victory perched upon our banner.

The British shouted with joy when they saw that stalwart form stretched upon the bloody plain—when his plume waved no more in the front of battle, where the bullets rained thickest and the carnage raged deadliest—when his voice was no more heard animating his shattered battalion to the conflict.

Just so the enemies of Home Labor and Western Improvements, under the lead of FRANKLIN PIERCE, the candidate of the British Free Trade press, have been shouting with joy over their temporary and doubtful success in Pennsylvania and Ohio. "SCOTT IS WOUNDED TO THE DEATH," has been for ten days past their rallying cry.

Now we stand in battle array again, on one side WINFIELD SCOTT and the army of friends of American Industry—on the other, FRANKLIN PIERCE and the British Free Trade Party. The Victory, in *this* land, ought not to be doubtful between the two.

So, CHARGE AGAIN! for American Labor.—Franklin Pierce and his party are arrayed against it. Men of America, you know it! How will you act to-day? CHARGE AGAIN! for Harbor and River Improvements. Here is the record of Mr. Pierce's position upon the question:

June 27th, 1834, Harbor and River Bill, appropriating $722,357, *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

March 3d, 1835, appropriating $425,157 *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

July 2d, 1836, appropriating $548,119 *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

March 3d, 1837, appropriating $1,373,722, *opposed* by Franklin Pierce, ☞ *approved* by Andrew Jackson.

July 7th, 1838, appropriating $1,469,108 *opposed* by Franklin Pierce, ☞ *approved* by Martin Van Buren.

August 3d, 1846, appropriating $1,283,456, *opposed* by all the New Hampshire Democratic Senators and Representatives, and ☞ *vetoed* by James K. Polk!

Voters of Wisconsin! do you want that man for President? ANSWER TO-DAY! CHARGE AGAIN! for the Right of Petition! Steadily, at every opportunity while in Congress, Mr. Pierce voted against this sacred right. Will you have him for your President?

CHARGE AGAIN! and repel the horde of plunderers of the public funds—the successors of the Swartwouts and Hoyts—who have been kept away from the Treasury for years, and are crowding now, a desperate, famished host—striving to break in to riot upon the property of the people as they did for years gone by.

CHARGE AGAIN! and send away in shame and confusion, the routed legions of wanton slanderers of the name and fame of WINFIELD SCOTT. That name is emblazoned in letters of living light on the records of our country from his early youth when he tore from its staff the British ensign at Ft George,—it rung, the prestige of victory, at Chippewa and Lundy's Lane, at San Juan d'Ulloa and Cerro Gordo, at Contreras and Churubusco, and at the gates of Mexico. The Hero who bears it, now our honored leader, has won for his country and for himself still brighter glories in the paths of peace. Detraction has been busy with that name. CHARGE AGAIN, then! you who love your country, and her distinguished sons, and repel the slanderers. GIVE THEM "THE COLD IRON," to-day!

Close up the ranks, and charge for SCOTT, GRAHAM, DURAND and THE WHOLE SCOTT TICKET.

The Plan of the Battle.

"*The enemy's whole line of entrenchments and batteries will be attacked in front and at the same time turned early in the day to-morrow—probably before 10 o'clock, A. M.*"

The above are the remarkable words written by Winfield Scott, in his general orders to his army the night before the terrible battle of Cerro Gordo. The plan was carried out to the letter, and the enemy's line was turned early in the day.

LET IT BE SO TO-DAY! *Be early on hand at the polls.* Let the attack be commenced with spirit at 9 A. M. and be general along the whole line.

Far more important consequences hang upon the result of this day's conflict than could have depended upon a victory or defeat at Cerro Gordo. Close up the ranks, then, and FORWARD TO THE CHARGE!

WINFIELD SCOTT ALWAYS CONQUERS!

GIVE THE LIE TO THAT SLANDER! CHARGE!

When Gen. Scott's brigade stood front to front with the British line at Chippewa, some of the enemy's officers cried out—"*They can't stand the cold iron!*"

Gen'l Scott's clarion voice immediately rung out with the words:—

"The Enemy say we can't stand the Cold Iron. I call upon the Eleventh instantly to give the Lie to that Slander! CHARGE!!"

And the "Eleventh" *did* charge, and swept the enemy from their guns in double quick time.

So now the Scott men of Wisconsin, under the same gallant leader, stand front to front with the enemies of the best interests of their country. So now, those enemies have poured out the most wanton slanders upon the heads of the Hero and his followers.

As the brave "Eleventh" charged upon the enemy at Chippewa, so let the friends of WINFIELD SCOTT and AMERICAN LABOR charge TO-DAY, and *give the lie to the Slanderers.*

SCOTT LEADS THE COLUMN! VICTORY CANNOT BE DOUBTFUL!!

DESPERATE TO THE LAST!

The Morning *News* still clings to its FORGERY in regard to Gen. Scott's "instructions to his recruiting officers" and parades it, in capitals, as follows:—

Scott's Opinion of Foreigners.

In his instructions to his recruiting officers in 1847, Gen. Scott said:—

"*You are instructed* NOT TO ENLIST FOREIGNERS, *for the battalion of St. Patrick has taught us that* FOREIGNERS CANNOT BE TRUSTED."

The *News* has not even the "wretched plea" of ignorance to excuse its persistence in this BASE FORGERY. It *knows* it to be a wanton and wholesale fabrication, and yet, for party's sake, continues to publish it. Who believes that such "cheating play" will prosper?

THE SCOTT PARTIZAN'S LAST CARD.

The Whig managers are resorting to every species of dishonorable tricks that ingenuity can invent, to impose upon the electors of the State. At the instance of the Sentinel clique, they have issued handbills in German, appealing to the Catholics as a body to vote for Scott and Graham.—*Wisconsin* of yesterday.

This is an ENTIRE FABRICATION. The "Whig Managers" have issued no such appeal, nor has the *Sentinel* advised, or instigated anything of the kind. The *Wisconsin* makes the charge at random, and with its usual recklessness of the truth.

Our County Ticket.

The ticket nominated by the Scott Convention for County Officers is a most excellent one. It is made up of men abundantly well fitted for the offices for which they are nominated, and every man on the ticket ought to be elected. HARD WORK must be expected, but *hard work will do it.* Mark that! Scott men of Milwaukee county! and work TO-DAY. Let the votes, when counted to-night show a clean majority for the WHOLE Ticket!—Let us make a clean sweep this time!

The Roman Catholic Question.

The *Sentinel* tries to excuse itself for its Roman Catholic appeals, on the ground that Pierce journals have done the same thing.—*Wisconsin* of yesterday.

This is a misrepresentation, of course. The *Sentinel* has neither made any such appeals, nor offered any such excuse.

Look at This!

A circular printed in German, signed by a number of German names, is scattered around the streets, containing the charge that Democracy is Infidelity, and Whiggery is *Catholicism!* and urging Roman Catholics to throw their votes *in a body* for WINFIELD SCOTT, *as the Catholic candidate.*—*Morning News.*

As might be expected, this is a gross and wanton perversion. The "circular" of which the *News* speaks makes no such charge, nor any such appeal. If it did, the *News,* instead of misrepresenting its tenor and language, would have published it in full.

VERMONT, MASSACHUSETTS, CONNECTICUT, NEW YORK, NEW JERSEY, DELAWARE, MARYLAND, NORTH CAROLINA, FLORIDA, KENTUCKY, TENNESSEE, LOUISIANA, CALIFORNIA, OHIO, and PENNSYLVANIA, WILL DIVIDE THE HONOR OF ELECTING WINFIELD SCOTT, unless, which is not at all unlikely—MAINE, MICHIGAN, ILLINOIS, WISCONSIN and IOWA, come in and claim a share.—*Buffalo Express.*

Illinois will have the honor of dividing the glory of electing Scott, with the States mentioned in the Express. Our whigs will not be behind when "Scott leads the column."—They led the van on Buena Vista's bloody field, and they will "charge again" for victory in the battle for free speech, right of petition, improved harbors and protection to home labor. "Forward!"—*Chicago Journal.*

WISCONSIN, too, will not be behind, in such a contest. Let us all pull together to-day, and to morrow's sun will rise upon a scene which will do the hearts of the Friends of Home Labor good. Let the word be SCOTT, GRAHAM and DURAND, and WISCONSIN CAN BE REDEEMED!

PENNSYLVANIA ALL RIGHT!—We have every confidence that the returns from the Keystone State will show a large majority for SCOTT. The returns of the late State election show that over *Thirty Thousand Whigs* stayed at home on that day. The Pittsburg *Gazette* sums up the vote, and says:

"We feel so much encouraged by this result of our figures, that whatever doubts had arisen in our minds by the disaster of the second Tuesday of October, are completely dispelled. We say to our friends at home and abroad, as we have not said since the State election, Pennsylvania is sure for Scott and Graham.

WITHOUT INCREASING THE WHIG VOTE ONE SINGLE FIGURE OVER THE WHIG VOTE FOR PRESIDENT IN 1848, WE SHALL GIVE A MAJORITY OVER HOPKINS' BOASTED MAJORITY OF 14,360! IT IS PERFECTLY CERTAIN, THAT SCOTT WILL RECEIVE THIRTY THOUSAND VOTES MORE THAN WERE CAST FOR HOFFMAN, THE WHIG CANDIDATE FOR CANAL COMMISSIONER!

AN ITEM FOR THE LADIES.—A new bonnet has made its appearance in Paris—originated by Mad. DUBAY D'GOLZERG, a name famous in the firmament of European fashion. The material is *new* as well as the *style.* It is made of the skin of polished leather. Madame has secured a patent for her ingenuity, (the *Home Journal* here, has learned,) and has conferred its exclusive sale in England, upon a dashing milliner in Regent street, London. The *Journal* adds: "The possession of these bonnets has already become a perfect *furore* to Paris: and the really beautiful way in which the material is made subservient to every style of wearer, from the truly coquettish to the sombre, or demure, fully justifies that distinction." This new article of dress is called the *Diphtera* Bonnet.

A Last "Card."

"A CARD TO THE PUBLIC," signed by H. SCHWARTING and A. EHLERRACHT, was placarded about the City yesterday, designed especially for the meridian of the First and Second Wards, in which it is charged that "an appeal to Irish Catholic, got up by Whigs and Whig Catholic clergymen, has been circulated in this city and the neighboring counties" &c. We are authorized and requested to say that no clergyman, Catholic or Protestant, had anything to do with getting up, advising, or circulating said "appeals."

☞ John Barrett, who has been connected with the Boston and Lowell Railroad since it was built, is probably the oldest Railroad conductor in the United States. He has traveled over that road during the last eighteen year. over *six hundred thousand miles!*

City Matters.

MILWAUKEE AND MISSISSIPPI RAILROAD.—We are indebted to the Secretary of the Company for the footings for October, which are as follows:

Freight,	$9,674.53
Passengers,	5,397.59
Total,	$15,072.12

For the past ten days the weather has been very wet and stormy, and the receipts have not kept up their regular increase, but the above figures show a very large increase over September, and indicate a business upon the road far beyond the most sanguine anticipations of its best friends. The road has arrived at a point in its history where it is able to take care of itself, by bringing to its aid capital for investment, and it must be one of the best paying roads in the West.

EXCITING TIMES.—After a bright sunrising, the sky soon clouded yesterday, and the rain came down, now gently, and now in torrents. The streets are in a frightful condition, and the roads in worse. Yet all day long crowds of men stood at the corners canvassing, now and then some individual, seemingly more enthusiastic than the rest, calling bystanders about him by louder talk than was seemly.

All day long, the candidates for "naturalization" and "declaration" poured into the offices of the Clerks of the U. S. and Circuit Courts.

All day long the candidates for office were busy as bees, and some of them left a *sting* behind them.

To-day, when we looked forward to it last night bade fair to be a regular rainy, muddy election day.

A GOOD SPEECH.—The Scott Volunteers, at their meeting on Saturday evening, were surprised by a speech from an unexpected source. A son of Mr. THOMAS KEOGH, the efficient Secretary of the 3d Ward Scott Club, was called out, and, as we said, surprised his audience, himself, and us, by making a telling speech to his Irish fellow-citizens. We are glad to make a note of it, because the young man is an apprentice of ours, and was determined to do some good for the cause, although he could not vote. We have reason to be proud of him.

An Appeal to Webster Men.

The New York *Courier* and *Enquirer,* the ablest and most influential of the Whig presses which urged the nomination of DANIEL WEBSTER for the Presidency by the Whig National Convention, thus eloquently invokes all true friends of the departed Statesman to give a living proof of the regard in which they hold his principles, by casting their votes *to-day* for WINFIELD SCOTT:

Fellow Whigs—friends and admirers of the great departed: you may not in your grief for the dead, forget your duty to the living. Men "fade away suddenly, like the grass. In the morning it is green and groweth up; but in the evening it is cut down, dried up and withered." But their principles perish not with them.—Daniel Webster is gone: but his principles—those principles inscribed upon the Whig banner, to which his whole life was devoted, and by which he died—are as immortal as is the spirit of him who was their great expounder and supporter.—They needed support from you even when our great Leader was with us, nobly battling in their defence: and doubly do they need it now that he is no longer here to lead us on to battle and to victory. Shall we shirk from our duty on Tuesday next, and by staying at home, turn our backs upon the great principles to which Daniel Webster devoted all the energies of his mighty intellect? or shall we ruthlessly trample them in the dust, by voting for Franklin Pierce, who by word and deed, stands pledged to prove them false, and thus dishonor the faith and the life of our departed friend? Or shall we in imitation of the patriotism of Daniel Webster, and mindful alike of our duty to our country, our self respect, and the wishes of the illustrious dead—give to the nominee of the Baltimore Convention, that zealous and unanimous support, to which as the Representative of the principles of the great Whig Party, he is so justly entitled?

It may not be out of place to add, in this connection, the following positive statement which we copy from the New York *Commercial Advertiser,* a high-toned and entirely reliable paper:

In this connection we quote the following from the Commercial Advertiser of yesterday: "*A letter was written by Mr. Webster, acknowledging the binding character of the nomination by the Whig Convention at Baltimore, and withdrawing all opposition to it on his part. It was written by himself, and given to a gentleman to copy; and he could have sent it to the New York gentlemen, who wrote to him on the subject, but for his sickness. The letter to him and the substance of his reply may yet appear.*"

We cannot doubt what will be the response of every *Webster Whig* to this appeal. He will feel to the innermost recesses of his soul, that it comes from the grave of the greatest of American Statesmen—one of her purest and most devoted Patriots; from one who living had no rival in expounding and illustrating the Constitution, and who, tho' dead, still gives to the principles upon which it is based, a triumphant victory. Every page of our History which records the events of the last thirty years, will illustrate the genius, the Patriotism, and the greatness of Daniel Webster; but the brightest page in that history—the one which will be alike honorable to the living and the dead—will be that which records, that the triumph of Whig principles in 1852, was mainly attributable to the universal respect which a whole nation bore for him who had illustrated those principles with his life and in his death. Living, he had no equal—dead he exercises an influence even greater than that which he possessed in life, backed by the power and the patronage of Government! What greater or higher compliment could be paid to our departed friend and Leader? and yet this just tribute to the memory of the dead, it is in the power of his friends to bestow!! Let us then, one and all do our duty at the approaching election; and it will prove the noblest ovation to the memory of Daniel Webster.

Ohio sure for Scott.

Cleveland, Oct. 21.

DEAR COLONEL:—Returns from the entire State show that the Locofoco majority on Congressmen is less than 5,000. Now this is only part of the ticket which called out the party strength. This is admitted by Locofocos. Consider also the fact that in at least *eleven* out of the *twenty-one* districts, there was no hope for the Whigs, in consequence of the Locofoco *Gerrymander,* and that in those district the Whigs made but a feeble rally, and you have the fullest conception an honest man can ~~realise~~ of the Locofoco *victory.* Last year the Locofocos carried the State by 26,000: this year they rally their full strength and carry it by almost 5,000! A majority of 21,000 sunk, in an ordinary, spiritless State canvass. What will become of them when the Old Thunderer takes after them on the 2d of November?

If there is a Locofoco in Boston who believes Gen. Scott will not lead every Whig candidate we have in the field for Congress, do spare him for a trip to Ohio. We would like to gaze at him. We can't find any such here.

The returns show one other fact, to wit: that 40,000 voters were not at the polls at our recent election. Our Locofocos greatly *fear* it will happen that when those reserve voters step to the ballot box, in November, most of them will turn up Whigs. This is the apprehension.

Now I don't want your readers to blab it about, but Ohio is for SCOTT *sure.*

HESPERUS.

A GOOD ONE.—A gentleman of this city, who has just returned from a political mission in Wisconsin, met a German citizen near his place of business on his return, reading the German Locofoco newspaper published here. "Ah! my friend," said Mr.——— "I see you are well employed, you are reading the Democratic paper—I have just returned from Milwaukee, and I am sorry to say that I fear that the Germans and Irish are many of them going for Scott." "Are they, indeed?" said the German," well I rejoice to hear it, for I assure you *I am one of them—I am going for Scott also.*" *Our Locofoco friend left!*—*Detroit Advertiser.*

BLOODED STOCK FOR WISCONSIN.—We yesterday saw, going on board the *Empire State,* a Devon bull and heifer, a fine short-horn heifer, sixteen Corsewold sheep, and a Suffolk breeding sow, together with a coop of beautiful China geese, and a tribe of little bantam chickens, the property of John B. Macy Esq., bound for his extensive farm near Fond du Lac. They were all from the choice stock of Lewis F. Allen, Esq. at his Grand Island farm.

A number of choice animals have previously been purchased of Mr. Allen this season, by gentlemen near Fond du Lac, for the improvement of the farm stock in that region; and probably no part of the new Western world is more rapidly improving in its agriculture than the rich lands of central Wisconsin.—*Buffalo Courier.*

MILWAUKEE ENGINE.—We inspected a few days since, a Locomotive Engine, made at Milwaukee for the Railroad there. We can only say it looks as well as any one we have ever seen, and we imagine it will do as well. We bespeak four as good for 1853. Two for the Racine & Mississippi road, and two for the Lake Shore road.—*Racine Commercial.*

DETRACTION.

In a hyena's gall his pen he dips,
Gall that from juice of dead men's bones was brewed
And breathing on it with malignant lips,
He stains a fair page for his hood-wink'd brood;
Death scarce has time to finish the eclipse
Of light—the glory of their native land,
Calhoun, and Clay—and Webster now no more—
But this blind reptile, with an impious hand—
The servant of a heart without a core—
Must tell their fancied failings o'er and o'er.

Aye, true—"they all have gone to their reward."
Gone, where the tongue of greedy cant is dumb,
Gone to be measured by their bright compeers,
Measured we hope by wider minds than thine,
When thou, in narrow minded circle barr'd,
That think no good from Nazareth can come—
Shalt sink like other froth, their names will shine
The beacon lights of mind for future years!

AMO.

From the Boston Daily Advertiser.

LINES,

WRITTEN AT SUNSET, Oct. 22d, 1852.

Sink, thou Autumnal Sun!
The trees will miss the radiance of thine eye,
Clad in their Joseph-coat of many a die;
The clouds will miss thee in the fading sky.
But now o'er other scenes thy race must run,
This day of glory done.

Sink, thou of nobler light!
The land will mourn thee in its darkening hour;
Its heavens grow gray at thy retiring power,
Thou shining orb of mind, thou beacon tower!
Be thy great memory still a guardian might,
When thou art gone from sight.

WORTHY OF ALL CONFIDENCE.
DR. STORM'S CELEBRATED SCOTCH COUGH CANDY.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Storm's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of all confidence as a remedy in diseases of the Chest and Lungs.

The Capt. General has also acknowledged to Com. Newton of the Powhattan that he had acted too hastily, and would willingly make a suitable apology to the U. S. government, but in no case would he allow Mr. Smith to land on the Island.

Rail Road Accident.

Pittsburg, Oct. 27.

This morning train yesterday from Cincinnati to Cleveland, run over a cow near New London. Four passenger cars were thrown off the track, and completely demolished. Ten of the passengers were more or less injured, and two of them seriously. Their lives are despaired of. Much confusion prevailed, and the train was detained two or three hours. One of the passengers had his collar bone broken, and another, a leg, in two places.

New Orleans, Oct. 27.

The steamship Falcon, has arrived at this port with San Francisco dates to the 1st inst., brought down to Panama by the Tennessee. Panama dates are to the 19th, health at the Isthmus, was good and the railroad was progressing rapidly. Capt. Sands of the Clipper ship Challenge, died of dysentery, at Wampoa on the 19th.

A great sale of city property, real estate in San Francisco, had taken place, and prices realized 50 per cent over expectations. The Falcon touched at San Juan, on the 21st. Business at San Juan, was dull. The mining intelligence was very favorable. The yield continues.

Several fugitive slaves had been arrested since the recent decision of the Supreme Court, and were delivered over to their masters.

The whaler Huntress, of New Bedford, was totally lost on the coast of Kamtschatka. The crew suffered terribly, but were finally saved. The steamer Pointer had bilged, and would prove a total loss. The San Francisco markets were firm.

The Falcon brought 260 passengers, and $560,000 in gold dust.

Consultations had been held, and the miners had signed a call to Congress, for protection to mineral lands against foreigners.

The railroad on the Isthmus, was going forward with despatch. An unsuccessful attempt had been made on the Isthmus, to destroy a Bridge there.

New York, Oct. 28th.

Hon. John P. Hale is to address the Free Democracy this evening.

One of our citizens has offered the Common Council the bonds of *one million dollars* for the right to construct the Railway in Broadway.

The citizens have resolved to suspend all business to-morrow after 12, M.

Pennsylvania.

Pittsburgh, Oct. 25.

The result of our State Election has waked us up. Do your part and Pennsylvania will do hers. All safe. We lost the skirmish but will gain the battle. Gen. COOMBS of Ky., is with us, full of confidence and courage. Look for at least four thousand majority in this (Alleghany) County.—*N. Y. Tribune.*

Trenton, N. J., Oct. 28.

The Governor of New Jersey has appointed the 25th of November as thanksgiving day.

New York, Oct. 28th.

The ships Constellation and Jacob S. Westervelt, arrived this morning from Liverpool, the former with 914, the latter with 714 passengers.

Boston, Oct. 29.

Everything is hushed and quiet here, nearly every building is heavily and tastefully craped, far exceeding anything ever before attempted in this city.

Business is suspended, stores are closed, and several of the Theatres announce no performance this evening. The cars and boats to Marshfield were crowded—special trains were also sent. The Merchant's Exchange and News Room were decorated in the most tasteful and beautiful manner. At the further extremity is a canopy formed of the American flag, and in black and white cambric; enshrined in the canopy is one of the most life-like and noble-looking bust of the American Statesman. Many of the passages leading to the Post Office and other buildings, present a beautiful though melancholy appearance.

A Few Reasons for Preferring Scott to Pierce for President.

Gen. Scott is truly a Natinal man. His peculiar vocation has made him so. True, he is a Whig and a supporter of Whig measures, from a conviction that they are true to the best interests of the country; but he is no bigot in politics, any more than he is in religious matters. He is a true patriot. His life has not been passed in the arena of politics; but, while noisy partisans have been wrangling in unprofitable contention, *he* has been doing real service to his country, fighting his country's battles, gaining honor to our flag, as well as winning laurels for himself. An honest, plain-spoken soldier, as he is, he is thoroughly schooled in national affairs; and although no politician, this does not hinder him from being, as he is, an enlightened statesman. He has watched with an observant eye, the movement of our Government's machinery for more than half a century. Wire-pulling and party scheming have not been in the line of his duty, and consequently he is no party *oracle*, nor would he desire to be. His ambition is of a higher order. It was not for a particular faction that he has labored, fought, and bled; it has not been for a particular section of our country, but for the undivided *whole*. He fought and conquered under our country's flag when its stars were few and dimmed by the lustre of the British sun; and he has fought under his country's flag with equal glory when its broad folds embraced a galaxy of brilliant planets. His services, rendered long years ago, ought not to be forgotten. He is but a remnant of that band of heroes of whom our country has ever been proud, whose names adorn and illustrate our history. Hale and hearty as is now our General, a few years will lay him in the dust with the heroes and sages that have preceded him—with a WASHINGTON, a HARRISON, and a JACKSON. Let not our country prove more ungrateful to him than to them. If SCOTT triumphs, it will be creditable to our country; but if his opponent succeeds, it will be the triumph of a faction. And SCOTT will be preferred to one whose chief merit is that he has ever been an uncompromising party man. Let honor then be done to our country's best Hero. Let every honest man do his utmost to have WINFIELD SCOTT placed in the Chief Magistracy of our Republic.

The Curfew Tolls &c.

Nothing could more fully or beautifully illustrate the finer traits of Mr. Websters character, says the Buffalo Courier, than the simple fact that when the hour of his own dissolution was at hand, his mind should recur to one of the most beautiful creations of poetry, that could without any impropriety be applied to himself. How singularly appropriate are the last two stanzas to the great statesman's dying moments!

The curfew tolls the knell of parting day,
  The lowing herd winds slowly o'er the lea,
The ploughman homeward plods his weary way,
  And leaves the world to darkness and to me.

Now fades the glimmering landscape on the sight,
  And all the air a solemn stillness holds,
Save where the beetle wheels his droning flight,
  And drowsy tinklings lull the distant folds.

* * * * * * *

Beneath those rugged elms, that yew tree's shade,
  Where heaves the turf in many a mouldering heap,
Each in his narrow cell forever laid,
  The rude forefathers of the hamlet sleep.

* * * * * * *

The boast of heraldry, the pomp of power,
  And all that beauty, all that wealth e'er gave,
Await alike the inevitable hour,
  The paths of glory lead but to the grave.

Mr. Webster's beautiful country home, "the lowing herds" grazing in his meadows, "the rugged elms" that encircle the mansion, and "the yew tree's shade" that hangs over the graves of his children, might well suggest the solemn reflections contained in the concluding stanza.

Twenty-six years ago, says the Boston Courier, Mr. Webster spoke in Faneuil Hall the following words, on the subject of the death of Adams and Jefferson. We quote them no less for the truth of the sentiment they contain than for their striking appropriateness to the present occasion. The speaker could not have drawn a more faithful picture of himself than he has done in these lines;—

"A superior and commanding human intellect, a truly great man, when Heaven vouchsafes so rare a gift, is not a temporary flame burning bright for a while, and then expiring, giving place to returning darkness. It is rather a spark of fervent heat, as well as radiant light, with power to enkindle the common mass of human mind, "so that when it glimmers in its own decay, and finally goes out in death, no night follows, but it leaves the world all light, all on fire, from the potent contact of its own spirit."—*Cleveland Herald.*

MR. WEBSTER'S RELIGIOUS CONNECTIONS.—Mr. Webster's denomination, as a Christian, has been brought into some question by the press. The Syracuse Star having stated that "Mr. Webster died in the fruition of Christian faith, and in full communion with the Protestant Episcopal Church, the Standard, of Syracuse, said that "is a well known fact that Mr. Webster is a Unitarian." To which the Star rejoins, that "Mr. Webster, at the time of his death, was a communicant of Trinity Church, Washington, and adds that he can give the Standard editor the name of a lady now in Syracuse, who has partaken of the Lord's Supper in company with Mr. W., at the Church of the Epiphany, Washington.

We have seen Mr. Webster partake of the communion, at the Church, (Rev. Dr. Croswell's) of the Advent. He was formerly an attendant at Brattle street, (Unitarian,) Church, Boston, and was, at another period of his life, one of Dr. Codman's (Orthodox Congregational) parish, at Dorchester. But as we said in our memoir, on Monday, "several years ago, Mr. Webster made an open profession of religion, and connected himself with the Protestant Episcopal Church, of which he was a sincere, devout and active member."—*N. Y. Express.*

ANOTHER YACHT CHALLENGE.—Lord De Blaquiere, the owner of the Yacht America, puts forth the following challenge in the London Times:—

I now challenge the yachts of all countries—America excepted—not exceeding the America in tonnage—to sail with my yacht, for a sum not less than £500, and not more than £1,000, on any day and in any place.

This challenge will be open until the 15th of November, and cannot be extended beyond that day, as the America (if she be still my property) must go into the harbor to refit for another trip to the Mediterranean.

In short, over any course (the inside of the isle of Wight accepted) that would give scope for testing the sailing qualities of the America and her opponents, under all points, in a nine knot breeze.

CALUMET LIGHT HOUSE.—A petition is in circulation which has received a large number of the signatures of sailors and others interested in the navigation of the Lakes, asking the discontinuance of the Light at Calumet, on the ground that there is no harbor there, and that in thick weather it is liable to be mistaken for the Chicago Light. Several vessels we learn, have already narrowly escaped being beached from the above cause.—*Chicago Journal.*

THE CELEBRATED
GRAEFENBERG MEDICINES,
TO THE PEOPLE OF THE WEST,

ARE RECOMMENDED BY THE COMPANY WITH renewed confidence, as efficacious remedies for most of those ills which attack humanity. They may now be said to have reached the home of every family in the Union. Since the last year the increase in sales has been most gratifying, and the highest and most reliable testimonials to their genuine worth, have flowed in upon us from every quarter. One agent writes, "your medicines are all-potent in this community—you do not begin to supply my wants;" another, "that the faculty are endeavoring to injure their sale, but it is of no use, the neighbors use them, with the best success, and advise their friends to do so too." One writes, "send more of your Uterine Catholicon, the doctors can do nothing with the disease; it warrants to cure, and your medicine is working miracles," &c. &c. We can assure the public that all that may ever be said in favor of this wonderful remedy, "The CATHOLICON" will never do its merits full justice. We have many orders from the regular faculty, by whom it is extensively used in their practice, as a certain cure for Prolapsus Uteri, and other distressing complaints incidental to females. On the outside wrapper of every bottle will be seen the NAME AND SEAL of the GRAEFENBERG COMPANY. the article has been counterfeited otherwise.

The Graefenberg Vegetable Pills continue to be one of our most popular and effective medicines. N. Y. ADVERTISEMENTS.

Wolfe's Schiedam Aromatic Schnapps.

MANUFACTURED BY THE PROPRIETOR EXclusively, at Schiedam, in Holland, by a process peculiar to his own factory. It is flavored and medicated not by the common Juniper berry, but by the choice botanical variety of the aromatic Italian Juniper berry, whose more vinous extract is distilled and rectified with its spirituous solvent, and thus becomes a concentrated tincture, of exquisite flavor and aroma, altogether transcendant in its cordial and medicinal properties, to any Hollands ever heretofore known.

In Gravel, Gout and Rheumatism; in Obstructions of the Bladder and Kidneys its effects are prompt, decided and invariably reliable. And it is not only a remedy for these maladies, but in all cases, in which they are produced by drinking bad water, which is almost universally, the cause of them, it operates as a sure preventive.

The distressing effect upon the Stomach, Bowels and Bladder of travellers, new residents and all persons unaccustomed to them, produced by the waters of nearly all our great inland rivers, like the Ohio, Mississippi and Alabama, from the large quantity of decayed vegetable matter contained in them, in a state of solution, is well known; as is also that of the waters of limestone regions, in producing Gravel, Calculi and Stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injurious properties of bad water, and consequently prevents the diseases which they occasion. It is also found to be a cure and preventive of Fever and Ague, a complaint caused by the conjoint effects of vegetable malaria in the atmosphere, and vegetable putrescences in the waters of those districts in which it principally prevails. THE AROMATIC SCHIEDAM SCHNAPPS is consequently in great demand by persons travelling, or about to settle in those parts of the country, especially; as well as by many in every community where it has become known, on account of its various other remedial properties.

In all cases of a dropsical tendency, it is generally the only remedy required, when adopted in the early stages of the disease. In Dyspeptic maladies, when taken in proper quantities, as a diet drink, and especially at dinner, it is found by uniform experience, to be eminently efficacious in the most obstinate cases, when even the best of the usual remedies have failed to afford more than mere temporary relief. In cases of Flatulency, it is an immediate and invaluable specific; and it may be administered in diluted and proportionate quantities, even to young infants, in all the paroxysms of griping pain in the stomach and bowels, to which they are especially subject, as well as in the colic of grown persons.

Its many uses [illegible] in connection with the principal [illegible] of [illegible] of exhaustion dictates its use never [illegible] the debility attendant upon protracted chronic maladies, low temperament and exhausted vital energy, by whatever cause induced. These are facts to which [illegible] the most eminent medical men, both in Europe and [illegible] have borne testimony, and which are corroborated by their highest medical authorities.

The AROMATIC SCHIEDAM SCHNAPPS is put up in quart and pint bottles, neatly enveloped and labeled, accompanied with a [illegible] and [illegible]. For sale by the principal Druggists in this City and United States.

(From the "New York Medical Gazette," Oct. [illegible].)

HOLLAND GIN AS A MEDICINE.

In our last number we accompanied the publication of a circular on this subject from our fellow citizen, Udolpho Wolfe, Esq., with a brief commentary, expressive of our own views. Since then we have been employing this agent, and thus far with favorable results. But we are in the receipt of several communications on the subject, from medical men, which serve to show that Mr. Wolfe's Aromatic Schiedam Schnapps is very extensively in use, and, in the hands of physicians, is proving itself as a stimulating diuretic to be eminently successful after other medications with this intent had been tried in vain. In one of the cases thus reported, abdominal dropsy has been cured, and the necessity of tapping averted; and in another a distressing case of gravel so called, has been entirely removed by the passage of a calculus of considerable size, which is ascribed to the use of only two bottles of this article.

We know not the object of Mr. Wolfe in designating his preparation by the singularly euphonious name of "Schnapps," nor of his denominating it in his advertisement, the "Concentrated Tincture of Juniper," instead of perpetuating its ancient title of Holland Gin. It is true that he admits it to be nothing more than the latter article in its pure state, unadulterated by noxious drugs, and hence he contradistinguishes it from Gin of commerce, nearly all of which, as is well known, is manufactured here and elsewhere from inferior whiskey and refuse drugs. The name he has given it, however, may serve the purpose of designating his article, as prepared exclusively for medical purposes, and thus commend it to physicians for whose convenience it is on sale only by reputable druggists and apothecaries.

As respects its medicinal and curative effects, we understand him to claim only that it is a pure and reliable article of Holland Gin, and as such worthy of the confidence of physicians in those diseases for which they are wont to prescribe it, and have hitherto only been restrained, by finding it impracticable to obtain the article in a pure state. Say what any prejudice against alcoholic medicine, deprive the afflicted of the benefit of this article, which from time immemorial has held its place among the remedial agencies of the Materia Medica, if it be found worthy of confidence by continued experience. At all events, those who persist in the employment and toleration of other alcoholic medicines, as tinctures, bitters, &c., and especially those who prescribe Gin under any circumstances, must all unite in giving the preference to a pure article over the manifold adulterations so rife in the market. Mr. Wolfe liberally supplies physicians with a sample bottle for analysis and trial, as set forth in his circular, and stakes the reputation of the remedy upon the innocence, safety and efficiency of his Holland Gin, when used under medical advice; and pledges his own character in business that the article will not disappoint any who use it.

HOE'S CAST STEEL CIRCULAR AND LONG SAWS.

THE SUBSCRIBERS MANUFACTURE FROM THE best cast steel, Circular Saws, from two inches to five feet in diameter. These saws are carefully hardened and tempered, and are ground and finished by machinery designed expressly for that purpose, and are therefore much superior in truth and uniformity of surface to those ground in the usual manner. They require less set, less power to drive them, and are not so liable to become heated and produce a saving in timber.

They also manufacture, Cast Steel MILL, PITT and CROSS-CUT SAWS and BILLET WEBS, of superior quality, all of which they have for sale at their Warerooms, Nos. 29 and 31 Gold street, or they may be obtained of the principal hardware merchants in the United States.

PATENT MEDICINES.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!
Dr. J. S. HOUGHTON'S
GREAT DYSPEPSIA CURER!

THE TRUE
DIGESTIVE FLUID,
OR
GASTRIC JUICE

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of Pepsin, infused in water will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Pepsin is the chief element, or Great Digestive Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE.

Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York; page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful.

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject.—His experiments with Dr. Beaumont, on the Gastric Juice obtained from the living human stomach and from animals are well known. 'In all cases,' he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

Dr. John W. Draper, Professor of Chemistry, in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Dr. Carpenter's standard work on Physiology, which is in the library of every Physician, and is used as a Text-Book in all the Colleges, is full of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in Artificial Digestion, or as a remedy for disease of the Stomach, and deficient secretion of Gastric Juice.

All modern works on Chemistry, Materia Medica, and Physiology, and all good Medical Dictionaries, describe the character and properties of Pepsin, and state many interesting details respecting it.

The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily prepared, does not admit of question. The only wonder is, that it has not before been applied to the cure of Indigestion and Dyspepsia—so naturally does such a use suggest itself to the mind.

AS A DYSPEPSIA CURER,

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liver complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in case of Nausea, Vomiting, Cramps, Soreness of the pit of the stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's Pepsin is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy no objection can be raised against its use by Physicians in respectable standing and regular practice. Price One Dollar per bottle.

☞ Observe this.—Every bottle of the genuine Pepsin bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all Druggists and Dealers in Medicines.

CHERRY PECTORAL
For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

MANY years of trial, instead of impairing the public confidence of this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys.—While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the CHERRY PECTORAL does not only as a general thing, but almost invariably, cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every State, city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the lungs.—Also in milder cases, and for children it is safe, pleasant, and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

FIRE INSURANCE COMPANY.

Office 185 East Water Street.

Capital over $165,000—in Cash and Premium Notes

THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered, are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 2500 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

Citizens of Milwaukee and vicinity, to be convinced of the truth of my assertion, and have their Horses properly attended to, so as not to be maimed, interfere, &c., had better call and examine for themselves, for they will have their work done as I say, and at $1; or set for Plain Shoes; Extra Shoes $1,25; Bar shoes $1,00 per pair; Sandals $2,50 per pair; and all other work to suit the times. MISCELLANEOUS.

HAY PRESS.

THE IMPROVED PATENT LEVER RAILWAY PRESS EXCELS ALL OTHERS now in use for pressing Hay, Cotton, Hemp, Wool, Hops, Rags, &c. &c., and will be warranted to perform well and do double the work that any other press can with the same number of hands, with less than half the draught; a small boy can attend the horse, and the running back of the follower with ease. The time required in running up the follower, is fifteen seconds. A bale of Hay can be pressed in less than one minute, at ordinary all day work: seven or eight bales can be pressed and bound per hour. Bales of Hay can be pressed, weighing over 400 lbs., measuring two feet square and four feet long. Bales of Cotton can be made compact enough without compressing.

The construction of this press is such that it does not require a building expressly for it, as it may be placed in any barn or shed, and the horse may move in any direction, or at any distance from it; and when the bale is ready for delivery, it is discharged instantly, and the follower gradually recedes as the Hay is placed in the box.

The construction is so simple that any man can make a Press, or keep it in order.

The travel for a horse, in running up a bale, is fifty feet, while in a screw press, the travel is one mile and a half in running the screw up and down. We have one new Press now in operation at Waukesha, Wis., and two others in process of construction.

So great a failure of the hay crop as has occurred in all of the Eastern and Atlantic States, the present season, cannot fail to ensure a most profitable business to any persons in Wisconsin or Illinois, who may take hold of this business with energy. The hay may be shipped during the present fall, and three months of the spring navigation, before another hay crop is raised.

REPORT OF THE PREMIUM COMMITTEE OF THE AGRICULTURAL SOCIETY OF NEW-YORK.

"The Lever Railway, Hay and Cotton Press, is a machine combining great power, convenience of operation, and constructed on true philosophical principles, and is a great desideratum to the river counties, and all places not contiguous to market, and also to cotton and hop growers; and the Committee think they do not exaggerate when they say it is, in their opinion, the perfection of machinery for that purpose. The Committee therefore award a premium of $5."

The Press, with the right to use it, can be purchased at less than half the cost of any other Press now in use. For rights for a single Press, or Towns, Counties and States, application should be made to the subscriber.

(*Which received the First Premium at the State Fair, lately held at Janesville,*)

Possesses great advantages over every other stove, for plain flues and direct application of heat, being so arranged that one or both ovens can be used at pleasure. It will cook in half the time of any other stove now in use, and with half the fuel, not consuming over four cords of wood in one year.

The TRIUMPH, single oven, takes in long wood, is an excellent stove—one that has been well tested, and given general satisfaction.

The PREMIUM is different in its construction from any other made, in the arrangement of the fire back—acknowledged to be a great improvement.

The JUNO PARLOR is adapted to either wood or coal, being decidedly the neatest arrangement ever offered to the public, having all the convenience of the stove combined with the beauties of the open grate. It is beautifully ornamental, highly finished, and perfect in every respect—the entire front above and below the grate being opened or closed with three doors, and so arranged that when open they are completely out of sight. It is equally adapted to offices as well as parlors.

The RADIATOR is the best coal stove ever got up as a retainer of heat.

Persons purchasing their stoves of us, in the event of any of the plates getting broke, can at all times be supplied with extra ones, thus superceding the necessity of throwing away stoves, which many are daily compelled to do in buying Eastern ware.

Those who are in want of an articles in our line, will find it to their advantage to give us a call, before purchasing elsewhere, as we are confident that we can give satisfaction in all cases. City references given, where our stoves can be seen in operation. Stoves delivered and set up in any part of the city, free of charge. All orders promptly attended to.

IN A FEW HOURS,

INTERNAL AND EXTERNAL.

IT WILL STOP

THE MOST EXCRUCIATING PAINS,

IN FROM THREE TO FIVE MINUTES!

AND HAS CURED

Rheumatism	In Four Hours.
Neuralgia	In One Hour.
Croup	In Ten Minutes.
Diarrhoea	In Fifteen Minutes.
Toothache	In One Second.
Spasm	In Five Minutes.
Cramps	In Five Minutes.
Sick Head Ache	In Fifteen Minutes.
Chill Fever	In Fifteen Minutes.
Chillblains	In Five Minutes.
Sore Throat	In Four Hours
Influenza	In One Hour.

SPINAL COMPLAINTS, STIFF JOINTS, STRAINS, BRUISES, CUTS, WOUNDS, FROST BITES, CHOLERA MORBUS, DYSENTERY, TIC DOLOREUX, and all other complaints where there is severe pain, RADWAY'S READY RELIEF will instantly stop pain, and quickly cure the disease.

THE HUMAN FRAME

Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone, exhibit its in its formation the wisdom of the Deity. Every joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN

Disorganizes the whole system, it prostrate the nerves, it relaxes the muscles, it weakens the joints, it interferes with the function of every organ, it checks the free and healthy circulation of the blood, it paralizes the absorbents, and renders them unable to take up and replete the wasted form with sound material. From the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbows, the Teeth, the Gums, or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system—Not a nerve or a muscle escapes its prostrating influence.

INSTANT RELIEF FROM PAIN

Is the great desideratum of every individual who suffers its tortures, no matter how light or severe its paroxysms may be. No one can feel happy while suffering its torments.

RADWAY'S READY RELIEF

In a few seconds

WILL STOP THE MOST DISTRESSING PAINS,

Its effects are like electricity; it arrests the most distressing pangs in a few seconds, its soothing, neutralizing and healthful influences thrill through every minute cell, membrane, and establishes the secretion of every gland in the system, subduing the most excruciating paroxysm of pain, and imparting strength and vitality to every organ.

NEURALGIA.

PAIN STOPPED INSTANTLY.

Radway's Ready Relief possesses an almost miraculous influence over the sharp darting pangs of pain of this cruel complaint. In a few minutes the pain-stricken sufferer experiences the delightful sensations of departing pain. It has cured thousands of cases in the city of New York, where many of them had been brought almost to death's door. The effects of the Ready Relief is to stop the pain immediately, to strengthen the nervous system, and supply the nerves with nervous energy and vitality, the loss of which is the chief cause of nervous pains.

DANGEROUS PRACTICE.

The use of Morphine, Strychnine, Aconite, Belledonna Arnica, and other poisons are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, *but to deaden the nerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system, and to destroy sensation.* If this practice is continued for any length of time, the patient will not only waste away, but the brain will become paralyzed, and the intellect destroyed.

RADWAY'S READY RELIEF

IS FREE FROM MORPHINE,

And all other dangerous and narcotic influence. To the weak and paralyzed nervous system it imparts life instead of death, and the pain is stopped by the healthy influence which Radway's Ready Relief imparts to the nerves, instead of the lifeless, sleepy and paralyzing effect which Morphine, and all other preparations containing this poison, produces on the system.

SICK HEADACHE.

Radway's Ready Relief will stop the most distressing pains in a few minutes, and prevent renewed attacks. It will cleanse and sweeten the stomach, and neutralize the poisonous acids of the system.

ALL BOWEL COMPLAINTS,

Diarrhoea,
Bloody Flux,
Dysentery,
Cholera Morbus,
Painful Discharges,

It relieves the most severe pains in a few minutes—checks the most distressing discharges, and

SPEEDILY REMOVES THE CAUSE.

RHEUMATISM.

PAINS RELIEVED IN FIVE MINUTES.

Radway's Ready Relief will stop the severe and excruciating pains of Rheumatism almost instantly. Persons are living in this city who, for months, were confined to their beds by Rheumatic pains, whose bones were unsound from top to toe, whose joints were distorted with painful swellings, that were relieved from all pain in 15 minutes by the use of Radway's Ready Relief. This is truth, and thousands in the city of New York, and hundreds of thousands in the United States, can answer for the truth of this assertion—we need no certificates of Cures—we publish no long list of names to prove the efficacy of Radway's Ready Relief, for the Citizens of almost every town in the Union, for the last four years, have tested it for themselves.

CHILL FEVER.

CHILLS STOPPED IN A FEW MINUTES—PAIN RELIEVED INSTANTLY.

Radway's Ready Relief acts like a charm in all cases of Chills and Fever. It breaks the chills immediately—warms up and invigorates with health and strength every organ and secretion of the system.

PAINS OF ALL KINDS.

Whenever you feel pain, apply Radway's Ready Relief—it is sure to relieve you in a few minutes. If you have pains in the Stomach, Intestines, in the Liver, Kidney's, Bowels, Joints, Bones, Radway's Ready Relief, taken either internally or applied externally, will in a few minutes stop pain and quickly remove its cause.

BEAUTY.

Complexion richly tinted with the bloom of health,
With skin as pure and fair as Parian marble,—
Soft and sweet as the fragrant rose—
Teeth as sound and white as alabaster,
Breath of sweetest fragrance, and lips of coral tint,
With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan like neck
No dark repulsive spots to mar the pleasing picture,
Or to cast dull shadows o'er beauty's master piece.

RADWAY'S MEDICATED SOAP.

Composed of the most delicious, rare and fragrant gums,
Of extracts, oils, and costly essences—
Of flowers, roots, trees, and oriental plants,
Possessing wondrous virtues o'er skin diseases.

TO THE COMPLEXION IT IMPARTS BEAUTY.

By cleansing the skin from all eruptive matter,
Makes clean the pores, gives action to the capillaries,
By which all poisonous humors are ejected,—
And a healthy action to the skin restored,
To the teeth it gives whiteness and prevents decay,
It makes the skin soft, sweet and smooth,
Transforms the most repulsive and disfigured visage,—
To a clear and beautiful complexion.

RADWAY'S CIRCASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,
Fastens the hair upon the scalp, and forces it to grow—
Like guano to a barren soil, it makes it rich and productive,—
To dress the hair, make it smooth and glossy,—
Strong and beautiful, &c.

Radway's Circassian Balm is the "ne plus ultra."

HOOFLAND'S CELEBRATED GERMAN

BITTERS,

Prepared by Doct. C. M. Jackson,

AT THE GERMAN MEDICINE STORE,

120 Arch-st., Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.

[From the Boston Bee.]

The Editor said, Dec. 22d "Dr. Hoofland's celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

SCOTT'S WEEKLY,

One of the best literary papers published, said, August 25 "Dr. Hoofland's German Bitters, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find those Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."

The Daily Sun says:—"It is one of the best medicines of the age for Jaundice and Liver Complaint."

Neal's Gazette says:—"Dr. Hoofland's German Bitters we know to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."

The Evening Bulletin says:—"The celebrated German Bitters are said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."

The Daily News, July 31, says:—"A Medicine'—We speak knowingly of Dr. Hofland's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the billary, digestive and nervous systems, it has not, we think, an equal. It is a vegetable preparation, and made without alcohol, and to all invalids we should recommend it as worthy of their confidence."

The Dispatch says:—"As a medicine for Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it has been found invaluable, effecting cures, and thoroughly eradicating disease, when all other medicines have failed."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all billious diseases—the affect is immediate. They can be administered to Females or Infants with safety and reliable benefit, at any time.

LOOK WELL TO THE MARKS OF THE GENUINE.
